S.I. BIRKENHEAD

STORY SHEET

SI Birkenhead was charted in 1933 as SI North Wirral. The name was changed following the sponsoring of three new clubs in 1945/46 - Bebington, Hoylake & West Kirby and Wallasey. The design of the logo reflects this history.

Wirral is bound to the West by the River Dee, to the East by the River Mersey, to the North by Liverpool Bay. Throughout most of its history, its character has been shaped by its coast and countryside.
